**Alliances:**  
 Airlines in same alliance allow using points on another airline's flight. For example: American Air flight can be booked with Alaska points, Delta via Virgin and United via Air Canada. **Non alliance** airlines still have partnerships with others.

**Credit Cards & Point Transfers:**  
 Only select cards from each bank allow points transfers. **Chase** : Sapphire; **CapitalOne** : Venture; **Citi** : Strata Premier/Elite; **Wells Fargo** : Autograph; **Amex** : Platinum/Gold/Green.

**Transfer times** will vary, it's advised to call airlines and have them hold the flight while your points transfer.

**Avios 1:1\***: Airlines can get points indirectly due to common Avios points. Chase points can be transferred first to official partner British Air and then to Qatar.
